### CREATIVE KIDS (5-8 yrs) Wed 4-5pm or Thursday 4-5pm Commencing: 4 May or 5 May

This term we will be drawing and sharing the magic of printmaking. We will look at famous artist, Piet Mondrian and see how he creates his artworks using just primary colours. We will learn about colour mixing and paint a fun mixed media artwork. We will design and make a series of prints using collograph plates we have made and for our final project, we will look at Salvador Dali and draw a fun portrait in charcoal.

### ART CLUB (9-14 yrs) Wed 5-6pm | Commencing: 4 May

Our focus is on drawing and painting. We will be looking at metamorphic drawing - changing from one thing to another and Surrealism where we will be painting a Surrealist portrait, designed by each child. We will look at Salvador Dali as our inspiration for surrealism. We will be using graphite pencil, acrylic paints on canvas, markers and paint pens to create three artworks. Students are inspired to develop their own ideas and create.
