

# FLORAL ORIGIN

## WORKSHOPS TERM 1 2023

Floral Origin offers workshops for adults and children from 8yrs

Join us in a relaxed welcoming environment where you can spend a couple of hours connecting with friends and family while learning a new skill and creating something beautiful to take home. Have fun choosing from a wide range of colours scents botanicals glitters and crystals to make your items truly and uniquely yours with the knowledge of the ingredients and nothing nasty to worry about!

Floristry workshops are conducted by an experienced florist who will guide you through the process. On completion you will have a beautiful arrangement to take home and the vase is yours to keep.

Feel free to bring along your nibbles and drinks (glassware provided) Or join us for one of our workshops with an optional vintage inspired High Tea

Looking for a school holiday activity? The kids will have a ball making bathbombs and soaps and will receive a free mould to take home

Great idea for Birthdays Hens Nights or any occasion. Come in a group or on your own and make some new friends everyone is welcome

All materials are supplied just bring an apron and a big smile
