About the Showcase

Victoria Park Centre for the Arts (VPCA), was donated a community piano from the ABC in 2025. VPCA has run its first piano mentoring program in 2026, with an arts grant from Town of Victoria Park; senior pianists have shared their musical and creative experience with young and emerging local musicians. This event marks the culmination of the mentoring program at Ellington Jazz Club.

Anna Sleptsova and **Tommy Seah** will be performing with their young mentees.

Generously supported by the Town of Victoria Park
