Acrylic Painting : A Pretty plant & pot on a stack of books
12:30pm — 3:30pm

In this class we will be creating a lovely painting of a plant pot and hanging vine, siting on some books.

We will be deciding on which colour background that will suit our room. Then we will design and paint our pot.

We will be painting the books so they look 3D and then painting our hanging plant and could add some flowers.

This is a fun and creative way to pass your day. Relax and paint.

Bookings are open - get in quick.

*These classes are fun and relaxing. The students can bring a snack with them during these sessions and a water bottle.
*Friends are also welcome to join even if they don't attend during term! Bring a friend and have fun together

Keep being Creative, it's good for your soul.
