Acrylic Painting : A Cute colourful little Bird
9am — 12pm

In this class we will be painting a little bird with lovely bright colours. We will be creating our own multi patterned back ground with stencils and sponges.

We will be using some pretty patterned paper to add texture and interest to our background. The bird will be brightly coloured to stand out from the background.

Lovely interesting mixed media art work. Each piece will be individual and their own.

This is a fun art activity!

Bookings are open - get in quick.

*The students can bring a snack with them during these sessions and a water bottle.
*Friends are also welcome to join even if they don't attend during term!
Bring a friend and have fun together.

Keep being Creative, it's good for your mind.
